Martin the Monkey

Martin The Monkey lives in an oak tree at Cragmore Park in Bananaville. He works for the Banana telephone company. He is the best employee they have because he can climb the telephone poles twice as fast as everyone else.

On Saturdays, Martin pitches for the Cragmore Craters Baseball team. The Caters are a semiprofessional team. Martin has become extremely famous for what he calls his "Primate Pitch." The "Primate Pitch" is thrown straight up. The pitch then comes straight down and travels directly over home plate. The pitches travels at over one hundred miles per hour.
